

# PULZAR ADVANCE EP GEAR

## A Premium Automotive Gear Oil For Heavy-Duty and Light-Duty Non-Synchronized Manual Transmissions

### Product Descriptions

**PULZAR ADVANCE EP GEAR** is a premium automotive gear oil designed for use in automotive light-duty and heavy-duty axles, and heavy-duty non synchronized manual transmissions.

**PULZAR ADVANCE EP GEAR** demonstrates the field performance of gear oil, the SAE 80W-90 blend was run in 8 trucks for over 200,000 miles of heavy-duty service and in five light-duty vans for over 100,000 miles. The axles and transmissions of the heavy-duty class 8 trucks and the axles of the light-duty vans were taken apart, rated, and fully inspected and approved by The Lubricant Review Committee for SAE J2360 standard.

### Features

- Excellent thermal and oxidative stability
- Exceptional seal compatibility
- Proven axle and transmission performance
- Outstanding extreme pressure protection and durability.
- Superior copper corrosion protection
- Superior storage stability
- Exceeds API Service Classification GL-5, API MT-1, Mack GO-J and SAE J2360.

### Application

**PULZAR ADVANCE EP GEAR** is specially formulated for Heavy-Duty and Light-Duty non-synchronized manual transmissions and axles. It's can also be used for top-off service fill in non-limited slip differential axles. It meets API Service Classification GL-5, MT-1, Mack GO-J and SAE J2360.

## TYPICAL PHYSICAL AND CHEMICAL PROPERTIES PULZAR ADVANCE EP GEAR

Test	METHOD	TYPICAL RESULTS	
SAE Grade	SAE J2360	80w-90	85w-140
API Service		GL-5	GL-5
Pour Point, °C	ASTM D-97	-9	-6
Flash Point, °C	ASTM D-92	220	240
Viscosity			
@ 40 °C, cSt	ASTM D-445	151.60	406.50
@ 100 °C, cSt	ASTM D-445	15.28	28.50
Viscosity Index	ASTM D-2270	102	97
Brook filed visc, cP	SAE J2360	143,600	55,000
